We'll spend time preparing for the season of Lent through ***Reflection***

Consider preparing for the Lenten season by using this Reflection Tool.

This four page packet is designed to help you reflect on where you are in your life and how you hope to grow through this Lenten season.

We'll spend time in the season of Lent with *Devotions*

Devotionals connect with people in different ways so we are offering two options for devotionals this Lent as you experience this season.

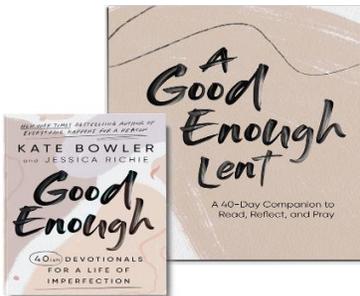

Option One is Full to the Brim: Daily Devotional Cards

Ash Wednesday through Easter Sunday, use these daily devotional cards to expand your spiritual walk through Lent.

- place the stack of cards by your bed to read first thing in the morning or right before you sleep at night
- display the cards that resonate with you so you continue to see their reminders
- use the cards as prompts to journal and reflect

Option Two is Good Enough: 40ish Devotionals for a Life of Imperfection

We live in a world that loves when we are shiny. But reality is we are fragile and dependent. Lent reminds us of a truth: the world is capable of incredible beauty, but it can also be filled with so much suffering.

This Lent consider giving up the idea that life is always getting better and instead settle in for a life and a faith that is good enough. Together, we're going to take ourselves off the hook for perfection. Perfect lives. Perfect bodies. Perfect relationships. And realize that this is the beautiful work of being human... again today. Thank God we get to do it together.
